

Green Island Cement - Who we are

Green Island Cement Company Limited ("GIC") is a leading local manufacturer and distributor of cement and cementitious products in Hong Kong. GIC was founded in 1886 at Tsing Chau (Green Island) in Macau, and has been incorporated in Hong Kong since 1887.

Our holding company, Green Island Cement (Holdings) Limited ("GICH"), is a wholly-owned subsidiary of CK Infrastructure Holdings Limited ("CKI"). CKI is the largest publicly-listed infrastructure company in Hong Kong with diversified investments in energy infrastructure, transportation infrastructure and infrastructure-related business. CKI has operations in Hong Kong, the Mainland China, the United Kingdom, Continental Europe, Australia, New Zealand and North America.

GICH now operates the only integrated cement plant in Hong Kong and has two cement operations in South China. In addition, the Group is also proactively seeking other business opportunities in the environmental sector and has implemented a number of environmental projects in both Hong Kong and China.
